# ODC FRONT DOORS

Manufactured from 40mm highly insulated panels and 68mm frames, the ODC Front Door range is made to measure at our Poole factory.

There are five ODC Front Door designs, plus single and double door options, side lights and top lights.

The standard ODC Front Door colour is Anthracite Grey inside and out (RAL7016) with co-ordinating Anthracite Grey hinges (RAL7016). Other standard RAL colours are available, as is a dual colour (different internal and external colours).

All frames and panels feature thermally broken profiles for optimum energy efficiency.

Door furniture is in high quality stainless steel;  
External T-bar offset handle, internal lever handle.

High security key operated locks tested in accordance with PAS24 and Secured by Design certification.

## STANDARD FEATURES

40mm highly insulated aluminium panel; Anthracite Grey inside & out (RAL7016); Anthracite Grey hinges (RAL7016); internal lever handle; external T-bar offset handle; high security key-operated lock
